

To: Healthcode Ltd

From: NHS Care Identity Service 2: Care Identity Authentication

NOTIFICATION OF COMPLETION OF ONBOARDING

Access to the Care Identity Service 2 Authentication API is granted on the basis of the Conformance Documentation provided to date and in accordance with the terms and conditions set out in the Connection Agreement. Capitalised terms in this document have the meaning given in the Connection Agreement.

The issuance of this Notification of Completion of Onboarding does not indicate any endorsement of the Connecting Party's products or services or waiver of any rights or obligations under the Connection Agreement.

Any work off activity to be undertaken by the Connecting Party which is detailed in this Notification of Completion of Onboarding shall be considered part of the Requirements, and any caveats or conditions set out in this Notification of Completion of Onboarding shall be considered part of the terms of the Connection Agreement.

Any information provided by the Connecting Party in this Notification of Completion of Onboarding shall be considered part of the Conformance Documentation.

Date of issue	28 th May 2026	Supplier ODS Code	N2G5Y

We confirm that relevant deliverables, evidence, and assurance to support the Healthcode Ltd (ePractice) technical infrastructure, interfaces, and adherence of functionality to identified standards have been received. The evidence made available has been agreed at this time to meet the current required standard for the identified interfaces and associated functions of the product.

Accordingly, the Connecting Party is issued with this notification for the Healthcode Ltd (ePractice) for the service/programme listed.

Where a future build version changes the interfaces and associated functions will require the product to undergo Conformance Documentation review and test to demonstrate adherence.

Caveats

- None

The Connecting Party must ensure that all End User Organisations are made aware of this Notification of Completion of Onboarding and the above caveats. Any decision to use the Connecting Party's products or services remains the responsibility of any End User Organisation.

Please note that the granting by NHS England of this notification shall not result in a transfer of risk to NHS England in respect of any part of the Connecting Party's products or services.

Yours faithfully

Test Assurance Manager
